Hereford City Mission was created in 1856 by John Venn, Vicar of St. Peter's, and his sister Emelia, to employ individuals to visit struggling families in their homes to support them and encourage their well-being. In May 2013, under the leadership of Robert Thomas, Hereford City Mission was born again as **Vennture** – a cross-denominational initiative by the county's churches to address social challenges emerging from an ebbing tide of publically funded health and welfare. While Vennture is a church-rooted enterprise, it benefits those of all faiths and none.

Vennture's values are derived from our founder John Venn. His values are timeless – Venn values of Responsibility, Family, Industry & Enterprise underpin all that we do. However messy it gets, we recognise and value family: we work to build supportive families committed to giving children the best, based on rock-solid Christian principles. We are inspired by the message, life and example of Jesus; this shapes and guides every aspect of our work. Our desire is to bring Worth, Hope, Love and Choice to all those we journey with.

Vennture's mission is to 'Love People Better'; its focus us on significant, substantive, sustainable initiatives that make a tangible difference in challenging social issues.

Other Vennture projects are:

Street Pastors – Have a good time, come home safe

Street Pastors engage with people on the streets to care for them, listen to them and help them. They work together with partners in the night-time economy to make communities safer.

Lean On Me – Care more, respond faster

Lean on me is a facility within which people are able to recover in a dedicated caring space. Emelia's Place is a specially equipped resource that has an assessment area, a recovery space, a supervised sleep-off room where people are regularly assessed and a café. It only opens to people referred to it for the special care it offers and provides valuable support to the Street Pastor teams.

LEGALESE – ATTACHED NOTES

The Disclosure of any offence may not prohibit employment. Please refer to our Rehabilitation of Offenders Policy.

As this post involves substantial, unsupervised contact with children, young people and/or vulnerable adults all applicants who are offered an appointment will be asked to submit to a criminal records check before the position can be confirmed. You will be asked to apply for an Enhanced Disclosure through the Disclosure and Barring Service (DBS) (England & Wales), SCRO (Scotland), ACCESS NI (Northern Ireland).

As the position is exempted under the Rehabilitation of Offenders Act this check will reveal details of cautions, reprimands or final warnings, as well as formal convictions not subject to DBS filtering rules. Because of the nature of the work for which you are applying, this position is exempt from the provision of section 4(ii) of the Rehabilitation of Offenders Act 1974 (Exemptions Orders as applicable within the UK), and you are not entitled to withhold information about convictions which for other purposes are 'spent' under the provisions of the Act with the exception of those that are subject to the DBS filtering rules. In the event of appointment, any failure to disclose such convictions could result in the withdrawal of approval to work with children or vulnerable adults within the church/organisation.

This process is subject to a strict code to ensure confidentiality, fair practice and security of any information disclosed. The DBS/SCRO/PVA (NI) Service Code of Practice and our own procedures are available on request for you to read. It is stressed that a criminal record will not necessarily be a bar to appointment, only if the nature of any matters revealed could be considered to place children or vulnerable adults at risk. As a place of worship/organisation we agree to abide by the Code of Practice on the use of personal data in employee/employer relationships under the Data Protection Act 1998 as well as the expectations of the DBS/SCRO/ACCESS NI Service.

As a condition of employment we ask that you keep us informed of any other work (either paid or voluntary) which you are undertaking that involves working with children or vulnerable adults. Should we ever need to refer an individual to any of the lists of people deemed unsuitable for working with children or vulnerable adults then we would also inform them of any knowledge we have of that individual working in any other capacity with children/vulnerable adults.

Notes for England, Wales & Northern Ireland Only - Children and Young People

Under the Protection of Freedoms Act 2012 it is an offence for any organisation to offer employment to anyone who has been convicted of certain specific offences, or included on either of the two barred lists held by the Disclosure and Barring Service where the post falls within the scope of regulated activity (as defined by the DBS, under the Safeguarding Vulnerable Groups Act 2006 and the Protection of Freedoms Act 2012). An enhanced with barred list check must be completed. Those working with children and / or vulnerable adults in posts which fall outside the scope of regulated activity may still be eligible for an enhanced disclosure WITHOUT a barred list check.
